

**Any Baby Can Turn Key Volunteer Projects** offer an opportunity for volunteers to take charge of their own projects, using their own space, time, and resources. We call these “Turn Key Kits” and they involve purchasing or collecting items and assembling kits designed to address clients’ needs. Turn Key Kits are a great way for groups to work together to create something tangible that directly benefits clients in need. We welcome additions and suggest packaging each kit in an appropriate, easy to store/transport bag or container. Kits can be delivered to the Any Baby Can office at 1121 East 7<sup>th</sup> Street. For questions, contact us at [volunteer@abcaus.org](mailto:volunteer@abcaus.org) or call 512-454-3743.
